

Air Quality Index

52

PM10

70

PM2.5

61

CO

2

- PM2.5 rating shows that air quality is moderate.
- PM10 rating shows that air quality is moderate.
- CO rating shows that carbon monoxide level is low.

Recommendations are:

1. Limit outdoor activities.
2. Use air purifiers indoors.
3. Monitor air quality index regularly.
